ISL Environmental Site Review Tool

The revised ISL Environmental Site Review Tool is posted for implementation. Changes include incorporating the HCBS rule and providing clarification and guidance on environmental factors recommended by stakeholders. The Individualized Living Services and Budget Manual has been modified only for the purpose of updating the Environmental Site Review Tool.

The ISL Environmental Site Review Tool is located as a fill form at <https://dmh.mo.gov/dd/docs/islenvironmentalsitereview.docx> and as part of the manual at <https://dmh.mo.gov/dd/manuals/docs/islserviceandbudgetmanual.doc>.
