

Improving lives THROUGH  
supports and services  
THAT FOSTER self-determination.

2/14/18

Missouri Chapter of the American Association of Intellectual and Developmental Disabilities  
(MOAAIDD) Spring Workshop

## HealthMatters Program™

March 12, 2018 Kansas City

March 13, 2018 Columbia

March 14, 2018 St. Peters

The HealthMatters Program was created to build capacity for developing health-friendly services for individuals with Intellectual and Developmental Disabilities (IDD).

The workshop will be led by the creators of the program, Dr. Beth Marks and Dr. Jasmina Sisirak
