MISSOURI 2002 STUDENT SURVEY

Thank you for accepting the invitation to participate in this study. The questions contained in this booklet are designed to obtain your opinion about a number of things concerning you, your friends, your family, your neighborhood and your community. In a sense, many of your answers will count as "votes" on a wide range of important issues.

In order for this study to be helpful, it is important that you answer each question as thoughtfully and honestly as possible. All of your answers will be kept strictly confidential and will never be seen by anyone at your school. You will not be asked for your name. Please do not write your name in the booklet. This study is completely voluntary so you may skip any question that you do not wish to answer.

Be sure to read the instructions below before you begin to answer. Thank you very much for being an important part of this project.

INSTRUCTIONS

1. This is not a test, so there are no right or wrong answers. Your grades will not be affected.
2. All of the questions should be answered by marking one of the answer spaces. If you do not find an answer that fits exactly, use the one that comes closest. If any question does not apply to you, or you are not sure of what it means, just leave it blank.
3. Your answers will be read automatically by a machine called an optical mark reader. Please follow these directions carefully:

- Use a No. 2 pencil.
- Make heavy black marks inside the ovals.
- Erase cleanly any answer you wish to change.
- Make no other markings or comments on the survey pages, since they interfere with the automatic reading.
- Do NOT write your name anywhere on this booklet.
