Event Report Processing Directive

The Division of Developmental Disabilities is inviting public comment on the [Event Report Processing Directive](#). This Directive is being posted again for another 30 day comment. The directive describes criteria and procedures for reporting events affecting individuals in residential facilities, day programs or a specialized service that is licensed, certified, accredited or funded by the Department of Mental Health. The directive applies to Regional Offices, Contracted Services Providers, Senate Bill 40 Boards (SB40) and other Targeted Case Management (TCM) entities providing Service Coordination per Department of Mental Health agreement.

Language has been added which requires the following:

TCM entity to maintain a current SC and SC Supervisor name in the CIMOR Consumer Resource record for each consumer served by their agency. Additionally it is the responsibility of the TCM entity to maintain the CIMOR-Human Resource record for each of their SC and SC Supervisors with the correct email address and "Yes" selected, for the primary email address.
