[Provider Bulletin](#)
[Individualized Supported Living \(ISL\) - Transportation, Agency-Vehicle Procedure Code for "HQ" Modifier](#)

The Division of Developmental Disabilities (DD) is inviting public comment on Provider Bulletin Individualized Supported Living (ISL) - Transportation, Agency-Vehicle Procedure Code for "HQ" Modifier. The Division posted a provider bulletin effective August 19, 2016, requiring ISL providers to bill for ISL Transportation services under procedure code T2001. It has come to our attention that this procedure code did not capture ISL agency vehicle transportation with a monthly maximum rate. Effective August 1, 2018, DD added a new procedure code/modifier for ISL Transportation, Agency.
