Overview of Directive 3.120, Process to Implement a Do Not Resuscitate (DNR) Order for Individuals Receiving DD Contracted Services

January 29

1:30 p.m.

This webinar describes the criteria and process for obtaining and implementing Do Not Resuscitate (DNR) orders for individuals in receipt of DD contracted services. During this webinar, participants will be provided an overview of terms and processes for obtaining a DMH DNR; for utilizing Out-Of-Hospital DNR (OHDNR) orders with Hospice Services; and criteria for use of Alternative to CPR orders in contracted services.

Presenter: Shari Whelan RN BSN, Division of DD Health & Wellness Coordinator

Target Audience: DD Contracted Service Providers (Administration, Nursing, and DCS), Support Coordinators and Supervisors, and DMH staff planning for end of life choices
