Webinar Reminder

Part 2--Person Centered Strategies Consultation: Applying the Concepts

March 27
10:00

This webinar is the second part of understanding Person Centered Strategies Consultation. A sample situation/example will be worked through during this webinar, including assessment, developing an action plan, and monitoring progress. Individuals that did not attend the first webinar, Person Centered Strategies Consultation, held February 28, should view the recorded webinar located on the Division's previous webinar [page](#) prior to attending the part 2 webinar.

Presenters: Dr. Terri Rodgers, DD Chief Behavior Analyst, and Rhiannon Evans, Statewide Tiered Supports Coordinator
