## United Way of Greater St. Louis is Conducting Community Needs Survey

United Way of Greater St. Louis is conducting a Community Needs Survey across its 16-county service area in Missouri and Illinois to gain a deeper understanding of how to make the region healthier, stronger, and safer for all. It is essential to hear from as many people in the those target areas as possible.

The survey will drive future decision-making about funding for not-for-profit organizations that utilize the money to provide valuable broad-based services. Answers are anonymous. Deadline to complete the survey is May 31, 2019.
