Webinar Reminder

Action Planning: How to Create Effective and Efficient Goals

Monday, June 24
10:30

This webinar is designed to give an overview of what an action plan is and how to effectively use it to your advantage. More specifically, we will be focusing on the Agency Tiered Supports Consultants (ATSCs) role in helping agencies develop action plans as part of the tiered supports process.

Presenters: Dr. Terri Rodgers, DD Chief Behavior Analyst, and Rhiannon Evans, Statewide Tiered Supports Coordinator

Target Audience: Area Tiered Support Consultants and other interested professionals.
