Coaching: How to Supervise Using Best Practices

September 30, 2019
10:30 am

This webinar will give a brief introduction to coaching and how it fits into supervision and training across many applied settings. Attendees will learn what coaching is, who should do it, and how to implement best practices with regular supervision.

Presenter: Rhi Evans, M.S. ABA, Targeted Prevention Coordinator

Target Audience: Residential Providers, Licensed Professionals, Support Coordinators, and other Department/Regional Office Staff who would benefit from learning about coaching, supervision, and effective feedback
