FYI Fridays
DBH Updates, Notices, and Policy Guidance
October 25, 2019

1. **Dual Enrollment Notice** - Effective November 1, 2019, the following programs will no longer be available for dual enrollment:

   Adult Community Services with Adult CPR

   Youth Community Services with Youth CPR

   If you have any questions, please email the CIMOR **DBH Support Center** by Logging In and selecting the **Help Ticket** option found on the left side menu of the portal, https://portal.dmh.mo.gov.

2. **CPR Maintenance Reminder** - The Maintenance level of CPR is coded to end October 31, 2019. Effective November 1, you will no longer be able to bill for any consumers enrolled in this level. A **revised report** showing all consumers currently enrolled in the Maintenance level has been placed in all provider's FTP folders (Reports/CPS). **Please move all Adult and Youth CPR consumers from the Maintenance level into the Rehab level**.

3. **Clarification on SSN Status Message** - When a consumer is entered or when there are changes to the consumer's information that requires a re-verification in CIMOR, a status message will show "Not Sent for Verification." This status is to inform one that the verification process has not yet been initiated. One does **NOT** need to request the verification process, as the verification process begins around 3:00 PM daily. If the status remains unchanged for **TWO DAYS**, please contact the help desk. *[This was a CIMOR Priority Alert sent earlier this week. It included an attached document that has additional information.]* If you have any questions, please email the CIMOR DBH Support Center by Logging In and selecting the Help Ticket option found on the left side menu of the portal, https://portal.dmh.mo.gov.

4. **DMH Ambassadors Academy -** DMH will host another informational session for legislators and legislative staff as part of the *Director's Mental Health Ambassadors Academy*. The presentation on Tuesday, October 29 will focus on the needs of individuals with intellectual and developmental disabilities and their families. Participants will hear insights from a client about the services delivered by the Division of Developmental Disabilities.

Info and Resources

1. **SAMHSA Funding Opportunity Announcements** -

   Grants for the Benefit of Homeless Individuals (TI-20-001)
   Funding Mechanism: Grant Anticipated Total Available Funding: $5,204,000
   Anticipated Number of Awards: 13 Anticipated Award Amount: Up to $400,000 per year
   Length of Project: 5 years Cost Sharing/Match Required?: No
   Application Due Date: Monday, December 16, 2019
   SAMHSA - CSAT is accepting applications for Federal Fiscal Year (FY) 2020 Grants for the Benefit of Homeless Individuals (Short Title: GBHI). *The purpose of this program is to support the development and/or expansion of local implementation of a community infrastructure that integrates substance use disorder treatment, housing services and other critical services for individuals (including youth) and families experiencing homelessness*.
   Eligibility: Eligible applicants are domestic public and private non-profit entities. SAMHSA seeks to further expand the impact and geographical distribution of its targeted homeless programs. Therefore, recipients funded under the following announcement numbers are not eligible to apply for this funding opportunity:
   TI-17-009 (GBHI) – Grants funded in FY 2017, 2018, and 2019
   SM-18-014 (Treatment for Individuals Experiencing Homelessness) – Grants funded in 2018 and 2019
   In addition, the statutory authority for this program specifies that these grants must be made to community-based public and private non-profit entities. Therefore, states are not eligible to apply.
   Contacts:

Program Issues: Michelle Daly, CSAT -SAMHSA. (240) 276-2789, Michelle.daly@samhsa.hhs.gov.
Grants Management and Budget Issues: Corey Sullivan, Office of Financial Resources, Division of Grants Management, SAMHSA, (240) 276-1213, FOACSAT@samhsa.hhs.gov.

Expansion of Practitioner Education (FG-20-001)
Funding Mechanism: Grant Anticipated Total Available Funding: $2,000,000
Anticipated Number of Awards: 10 to 20 Length of Project: 2 years
Anticipated Award Amount: Up to $250,000 per year for professional associations; Up to $100,000 per year for universities/professional schools Cost Sharing/Match Required?: No
<mark>**Application Due Date: Monday, December 16, 2019**</mark>
SAMHSA is accepting applications for Federal Fiscal Year (FY) 2020 Expansion of Practitioner Education (Short Title: Prac-Ed) grant. *The purpose of this program is to expand the integration of substance use disorder (SUD) education into the standard curriculum of relevant healthcare and health services education programs.* Through the mainstreaming of this education, the ultimate goal is to expand the number of practitioners to deliver high-quality, evidence-based SUD treatment. The National Survey on Drug Use and Health (NSDUH) 2018 data indicate that an unacceptably high 92% of individuals who meet criteria for needing SUD treatment do not receive it. SAMHSA is implementing this program as one of the many steps to reduce barriers to accessing and providing care.
Eligibility: Public or private non-profit professional associations representing healthcare professionals in the fields of medicine, physician assistants, nursing, social work, psychology, marriage and family therapy, health services administration OR public or private nonprofit entities which are universities, colleges or other professional schools.
Recipients who received funding under FG-19-001 are not eligible to apply for funding under this FOA.
Contacts:
Program Issues/Grants Management and Budget Issues: Odessa Crocker, Office of Financial Resources, Division of Grants Management, SAMHSA, (240) 276-1078, odessa.crocker@samhsa.hhs.gov.

2. **First-Episode Psychosis and Co-Occurring Substance Use Disorders -** The transition to adulthood can be especially challenging for young people who experience an emerging serious mental illness such as first-episode psychosis and who have a co-occurring substance use condition. When first-episode psychosis and substance misuse occur together, outcomes tend to be poorer in both the short and long term. For young people experiencing first-episode psychosis, reducing or stopping substance misuse yields significant improvements in psychotic symptoms, depressive symptoms, and the young person's ability to lead a meaningful life. SAMHSA's new guide, First-Episode Psychosis and Co-Occurring Substance Use Disorders, supports health care providers, systems, and communities to address first-episode psychosis and co-occurring substance use disorders. It describes relevant research, examines emerging and best practices, identifies knowledge gaps and implementation challenges, and offers resources. Download the Guide

3. **FDA Approves First Transdermal Antipsychotic Patch for Schizophrenia in Adults** - The FDA on October 15 approved the first transdermal patch of an established antipsychotic for treating schizophrenia in adults. In addition to offering a new delivery option, transdermal patches can also provide caretakers and healthcare providers with a nonintrusive, visual confirmation that a treatment is being utilized. The once-daily transdermal drug delivery system (TDDS) created by Noven Pharmaceuticals provides sustained concentrations during a 24-hour wear time of the atypical antipsychotic drug asenapine, an established treatment for schizophrenia. Dr. Naruhito Higo, Chairman and Chief Executive Officer of Noven said his company "looks forward to bringing it to market in the U.S. as soon as possible so people living with schizophrenia have a transdermal delivery option for asenapine treatment." In an international, Phase 3, double-blind, placebo-controlled study, SECUADO achieved the primary endpoint of statistically significant improvement from baseline in the change of the total Positive and Negative Syndrome Scale (PANSS) compared to placebo at week six. Efficacy and safety were assessed during the six-week treatment period in 616 adults living with schizophrenia. Additionally, SECUADO demonstrated statistically significant improvement in Clinical Global Impression-Severity (CGI-S) scores, the key secondary endpoint of the Phase 3 study. *(Source:*

Training Opportunities

1. **Missouri Telehealth Network Show-Me Echo Incentive Programs** -

   - Child Psychology
   - Hypertension
   - HOPE: High-Risk OB Partnership for Excellence
   - Hep C ECHO Incentive Program
   - DERM ECHO Incentive Program
   - Challenges in Rural Obstetrics for Women & Neonates
   - SEMO Diabetes ECHO Incentive Program

   Extension for **C**ommunity **H**ealthcare **O**utcomes is an educational program that uses Videoconferencing to create multidisciplinary teams within and among academic centers, specialists, and community providers. Join an online video conference twice per month. Discuss and share:

   - Clinical case presentations and discussion.
   - A brief educational presentation by a member of the interdisciplinary team.
   - See website for current ECHO schedules and CME information **https://showmeecho.org/.**

   For questions regarding the incentive, e-mail Rachel Mutrux: **mutruxe@health.missouri.edu**

   If you are interested in participating, please visit **https://showmeecho.org/** for ECHO schedules, registration and incentive form.

   - Step 1: **Register** for the ECHO
   - Step 2: Register for the incentive program
   - Step 3: Send the forms to Wendy Hough at **houghw@health.missouri.edu.**

2. **NCADA Hosts OEND Training** - NCADA will host a MO-HOPE Overdose Education and Naloxone Distribution training on *October 29, 2019, from 1-3 pm*. If your organization or grant would like to learn to provide this service to people at risk of witnessing or experiencing an opioid overdose, please register at this link: https://www.eventbrite.com/e/overdose-education-and-naloxone-distribution-training-of-trainers-tickets-73430876729. Some organizations may be eligible for naloxone to distribute through MO-HOPE or other grants. If you would like to host a training of trainers in areas outside of St. Louis, please reach out to **Brandon Costerison** directly. P: 314.962.3456 x367

3. **DMH 2019 Regional Housing Conferences: A Focus on Housing First** - http://dmh.mo.gov/housing/housingunit/
   Central: *October 29 & 30, 2019* at the Governor's Office Building at 200 Madison in Jefferson City
   Kansas City: *November 19 & 20* at Anita B. Gorman Discovery Center at 4750 Troost Avenue in Kansas City.

4. **Introduction to SOC-CESS Interventions** – What is SOC-CESS? In this webinar, Project Director, Dr. Cindy Mueller, will introduce you to the SOC-CESS grant, interventions, goals, outcomes and more! *October 31, 2019, from 10 am to 11 am*. www.mosoccess.com

5. **Trauma-informed, Resilience-oriented Approaches Learning Community Informational Webinar** - You know trauma and its toll. You see it every day. But what can you do about it? How can you go beyond awareness to creating sustainable organizational change that addresses trauma and nurtures resilience? The National Council's 10th **Trauma-informed, Resilience-oriented Approaches Learning Community** is a year-long initiative that provides the answers you need. *Thursday, October 31, 3-4 p.m. ET* Register Today

6. **Two Modalities with One Mission** – Part of our SOR free webinar training series…Perspectives on 12-Step recovery and MAT, how to navigate being on medications while also being involved in a 12-Step program, and how to talk to clients about their options when integrating the 12-Step and MAT in their own recovery. ***November 1, 2019, 10 a.m. – 11 a.m. CST.*** To register**: CLICK HERE** *[The Missouri Department of Mental Health, in partnership with the University of Missouri, St. Louis – Missouri Institute for Mental Health (MIMH) and the Missouri Coalition for Community Behavioral Healthcare, is providing free webinar trainings as part of the Missouri Opioid State Targeted Response and State Opioid Response (Opioid STR and SOR) grant.]*

7. **Implementing Wraparound in Rural Communities** – This webinar will explore strategies for serving rural communities with the same high quality, high fidelity wraparound as provider saturated urban centers. ***Friday, November 1, 2019, from 2:00 pm to 3:30 pm ET.*** *https://events-na11.adobeconnect.com/content/connect/c1/1120832267/en/events/event/shared/1159765005/event_registration.html?sco-id=2442367937*

8. **Adolescence and Young Adulthood** – Understanding youth and young adults can be difficult. In this webinar, Project Coordinator Aubrey Doss will discuss youth mental health, brain development, decision making and more to help you better understand the youth in your life. ***November 5, 2019, from 10 am to 11 am***. www.mosoccess.com

9. **Housing Learning Community: Housing as an Intervention and Investment for People in Recovery -** is a free training series intended for behavioral health and other providers interested in exploring, establishing, or improving housing for their clients with substance use and/or mental health disorders.
   Learning Community Schedule:

   November 6: How to Get Started
   * Please note that you must individually register for each session to receive the Zoom login information. Individual links are provided above and on our website. Register now!

10. **Women and Stimulant Use Project ECHO** - Beginning in October, the Mid-America, Mountain Plains, and South Southwest ATTCs have partnered to develop the Women and Stimulant Use Project ECHO series. It will utilize a Project ECHO format to provide case-based learning and consultation for substance use and other health care providers working with women who use stimulants. Using the Zoom videoconferencing platform, providers will be able to connect directly with leading experts in the field to build their capacity to provide evidence-based care. Each 90-minute session will include a brief didactic presentation and an interactive discussion on two de-identified client cases. Registration will open in early September. See below for the didactic schedule:

    November 13: **Stimulant Use: Responses by the Parenting in Recovery/ Family Drug Treatment Court program**
    December 4: **Recovery Supports: Expanding Recovery Capital**

11. **Engaging the Faith Community in Substance Use Prevention – Part 1 – Webinar** - ***Tuesday, October 29, 2019 11 a.m. to 12:30 p.m. EDT.*** This SAMHSA webinar will present a clear rationale for the role of faith leaders in working across the continuum of care, including substance prevention.

12. **Engaging the Faith Community in Substance Use Prevention – Part 2 – Webinar** - ***Tuesday, November 5, 2019 11:00am to 12:30 p.m. EST.*** This SAMHSA webinar will present a clear rationale for the role of faith leaders in working across the continuum of care, including substance use prevention

13. **Medication Awareness Recovery Training Starting -** The MCB will be starting a new 40 hour Medication Awareness Recovery Specialist Training Program on ***Friday, November 8th, 2019*** with live training in Jefferson City, St. Charles, Joplin, Kansas City and Cape Girardeau. This program is a comprehensive training program that provides 40 hours of training on using medications during the recovery process. At the conclusion of the program, participants are awarded 40 CEU hours and a Medication Awareness Recovery Specialist Certificate. The program details are as follows:

- The program starts on Friday November 8th, 2019 with a 1 day live training in Jefferson City, St. Charles, Joplin, Kansas City and Cape Girardeau. Participants choose 1 live training to attend from the 5 options.

- Participants then work through 8 self-study modules that start Monday November 18th, 2019 and end Sunday February 9th, 2020. These modules are completed at home within assigned time periods.

- The cost of the program is $100.00 and participants receive 40 CEUs plus a Medication Awareness Recovery Specialist Certificate. If you have any questions, please contact Scott Breedlove at scott.breedlove@missouricb.com. **Click Here for the November MARS Registration Form**

14. **2019 Missouri Reentry Conference** - This year's theme is "Managing the Balance." The conference is scheduled for *November 13-15, 2019*, at the Lodge of the Four Seasons at the Lake of the Ozarks. The link to register is: https://www.eventbrite.com/e/2019-missouri-reentry-conference-registration-61821406491?ref=ecount

Other Upcoming Training Events:

Role of the Pharmacist in the Treatment of OUD *- December 3, 2019 12 p.m. – 1 p.m. CST.* Focus on what is inhibiting access to treatment, including payment for services, disconnected facilities, and various federal and state regulations, how to integrate care across treatment agencies and pharmacies, and promising national examples of practices that utilize pharmacists to care for individuals with OUD. **Registration: CLICK HERE**

SLU's 3rd Annual Addiction Medicine Conference - Save the Date 12.11.2019 ADM #3.pptx

Certified Peer Specialist Credential 2019 training sessions - This is a 5-day training; event & credential $75.00. To sign up go to Missouri Peer Specialist.

November 18-22 – Kansas City (NW)
December 2-6 – St. Louis (E)

MCB Clinical Supervision Trainings https://missouricb.com/ (573) 616-2300
November 14-15, 9am – 4pm in STL
