Dental Videos

The Division of Developmental Disabilities received a grant from the Dental Trade Alliance Foundation of Arlington, VA for a project titled *Increasing Awareness of the Importance of Oral Health among Missouri Caregivers*. The project consists of the production of three brief videos that demonstrate the importance of oral health and how to assist other people with oral hygiene.

Videos produced by the Division include: [Dental Interview](#), [Special Circumstances](#), [How to Assist](#). These videos can be found at: <https://dmh.mo.gov/dev-disabilities/education>.
