Information Session on Relias Online Learning

January 23, 2020

10:00 - 12:00

Department of Mental Health

1706 E. Elm

Jefferson, MO

Relias is the leading online learning provider of compliance and continuing education for agencies serving individuals with intellectual and developmental disabilities. The Division of Developmental Disabilities is inviting provider agencies, TCM entities, and any other interested individuals to attend an in-person informational session presented by Relias product experts on Relias content and learning management system.

This is an in-person opportunity. If you are unable to attend, materials will be placed on the Division website following the meeting. An email blast will be sent when they become available.

Questions can be sent to ddmail@dmh.mo.gov.

[Click](#) to register for the session.
