

2/14/20

Power Up 2020
Missouri Assistive Technology Conference

March 30 & 31, 2020
Columbia, MO

Five Reasons to attend the AT Conference:

1. **Learn About the Latest Technology**-With over 50 exhibitors in the Expo Hall, you're sure to learn about the newest AT devices and services.
2. **Network**-Connect on common ground with individuals and professional interested in assistive technology.
3. **Put the Pieces Together**-Connect the dots between your work or home and the devices and resources that can help you achieve.
4. **Learn From the Leaders**-Hear directly from AT leaders from across Missouri and around the national whose expertise leads to your success.
5. **Get Credential CEU's**.-CEU's are available for occupational therapists and vocational rehabilitation professionals. Speech Language Pathologists earn a certification of attendance that can be applied towards certification maintenance.
