

Improving lives THROUGH  
supports and services  
THAT FOSTER self-determination.

3/10/20

Department of Social Services  
**Healthy Opportunities Assessment Survey**

The Department of Social Services is conducting a brief survey to evaluate critical data of individuals in communities across Missouri. This information is only being used to analyze community trends and needs.

The online survey will be active through May 31, 2020. All individuals are encouraged to complete the survey to assist with having a broad and diverse response. To complete the survey, please visit: [Healthy Opportunities Assessment Survey](#).
