Upcoming Webinar

Unemployment Insurance, Economic Impact Payments, SSI, Social Security Disability and the COVID-19 Emergency

April 23, 2020
9:00 a.m.

The newly-passed Coronavirus Aid, Relief and Economic Security (CARES) Act made substantial changes to Unemployment Insurance, greatly expanding eligibility, payment amounts and duration. The Act also provides economic impact payments for most adult Americans. This webinar provides an overview of Unemployment Insurance, the changes made by the CARES Act, the basics of the economic impact payments, and how these benefits interact with Supplemental Security Income (SSI), Social Security Disability and other public benefits.

Presenter: Michael Dalto - VOICE National Subject Matter Expert. Michael has delivered training on disability benefits from Social Security and related work incentives for 30 years. He created a state benefits planning certification in Maryland and trained and supported 60 benefits planners using over 50 original training sessions. He has consulted with universities, state vocational rehabilitation, workforce, behavioral health and developmental disability agencies throughout the country. He currently consults with Griffin-Hammis Associates. This webinar is designed for a general audience of disability professionals including employment service providers, VR counselors, benefit professionals and others.
