

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

5/22/20

Missouri COVID-19 Dashboard

This NEW dashboard contains COVID-19 data that the public can review at will. Cases by County information is included and is expanded to show Daily % increase in cases, 7-day % increase in Cases, and number of new cases over the last 14-days. It also includes information on testing, demographics, deaths, and hospitalizations. [Click](#) to view the dashboard.
