## MODDC: COVID-19 Scholarship Fund

The MODDC is excited to announce the COVID-19 Scholarship Fund, which will provide opportunities for individuals and/or family members to apply for one-time funding to use technology as a way to address today's unique barriers.

Funds must be used to meet the needs of people with disabilities and/or their families by doing one or several of the following:

- Make informed health choices to live a healthy lifestyle;
- Receive best practice, quality health care;
- Leadership development through self-advocacy;
- Increase access and connection to one's social network while being social distant compliant.

Funding will be based on a review of applications. Priority is given to Missourians with disabilities and family members, especially those in rural communities. Submit applications to [moddc@moddcouncil.org](mailto:moddc@moddcouncil.org) by May 30th, 2020.
