National Adult Protective Services Association

The National Adult Protective Services Association (NAPSA) is a national non-profit organization with members in all fifty states. The goal of NAPSA is to provide Adult Protective Services (APS) programs a forum for sharing information, solving problems, and improving the quality of services for victims of elder and vulnerable adult mistreatment. NAPSA partners with organizations to provide a network of research, practice, and policy to meet the needs of the ever-changing population of adults. In addition, they work to increase national awareness of elder and vulnerable adult mistreatment through education, advocacy, and congressional testimony. To learn more about NAPSA, click [here](#).
