Monday, May 18, 10:00 a.m.**

During the COVID -19 pandemic, employment and day service providers have implemented many promising practices using virtual and remote strategies. As we plan for services beyond the pandemic, the Division of Developmental Disabilities is exploring the continuation of a telehealth option for the delivery of employment and day services in meeting individual need. These listening sessions/webinars will seek comment and input on the following: opportunities/advantages; obstacles/barriers; business efficiencies; and monitoring/assurances.

Employment Services (to include Career Planning, Prevocational, Job Development and Supported Employment) discussion/webinar will occur on Monday, May 18, 2020 10:00 am-11:30 am.
