

Improving lives THROUGH  
supports and services  
THAT FOSTER self-determination.

7/20/20

*Workshop Opportunities*

**Agency Tiered Supports Virtual Coaching Workshops**  
**Starting July 22**  
**2:30 pm**

Agency Tiered Supports Consultants will provide ongoing coaching workshops focused on supporting agency coaches and leadership to improve staff performance via routine observations and feedback. Each workshop will feature a different common scenario for participants to explore both positive/negative observational data collection and provide staff with feedback to support their professional development.
