### Community COVID-19 Testing Events Continue Throughout Missouri

Many counties throughout Missouri have already participated in community sampling efforts in order for public health officials to learn more about the prevalence of COVID-19 transmission. The State of Missouri is continuing these efforts with a round of community sampling events taking place between July 13 - July 21 at events being held in 9 counties.

The community-based testing will be operated by the Department of Health and Senior Services and Missouri National Guard in coordination with the hosting local public health agencies.
