REMINDER

**Community COVID-19 Testing Events
Continue Throughout Missouri**

More than 40 counties throughout Missouri have already participated in community sampling efforts in order for public health officials to learn more about the prevalence of COVID-19 transmission. The State of Missouri is continuing these efforts with a round of community sampling events taking place between July 6 - July 15 at events being held in 5 counties.

Counties hosting upcoming community testing events are Cole, DeKalb, Jackson, Butler and Phelps. The community-based testing will be operated by the Department of Health and Senior Services and Missouri National Guard in coordination with the hosting local public health agencies.

Appointments can now be made online for events July 6- 15 on the [DHSS registration site](#). Those without access to online registration can call the Missouri COVID-19 hotline for registration assistance at 877-435-8411.
