Increased COVID-19 Community Testing Efforts Ongoing in Missouri

In partnership with the U.S. Department of Health and Human Services (HHS), the Missouri Department of Health and Senior Services (DHSS) is announcing additional free COVID-19 testing at various sites in Missouri in a regular, weekly pattern.

The new testing sites are located in Columbia (Boone County), Cape Girardeau (Cape Girardeau County), Branson (Taney County), Lee's Summit (Jackson County) and St. Louis City.
