Questions and Answers on IDEA Part B Provision of Services

The Office of Special Education and Rehabilitative Services' Office of Special Education Programs (OSEP) released a questions and answers document (Q & A) in response to inquiries concerning implementation of the Individuals with Disabilities Education Act (IDEA) Part B provision of services in the current COVID-19 environment. The Q&A is available at <https://dese.mo.gov/communications/coronavirus-covid-19-information> (under the Special Education Information and Guidance section).
