Webinar Recording and Updated Documents Available

Planning for the Discontinuation of Person Centered Strategies Consultation and Counseling Services from Waiver Services

NOTE: During the live/ recorded webinar, the date for discontinuation of PCSC and Counseling waiver services was inadvertently misstated as March 21, 2021. The correct date for discontinuation of services is *March 1, 2021*.

This webinar, held on October 1, 2020, assisted support coordinators in planning for the discontinuation of Person Centered Strategies Consultation and Counseling services which will be removed as waiver services, effective March 1, 2021.

Presenter: Dr. Terri Rodgers, DD Chief Behavior Analyst Targeted Audience: TCM Entities, TCM TACs, Support Coordinator Supervisors, Support Coordinators
