Employment First Values: Putting them into Practice

The Employment First Missouri Community will host an interactive web session on putting into practice the concepts of Employment First to promote increase employment opportunities for individuals. The event is **March 23, 2021** from **2:00 PM – 3:00 PM**.

This session will feature:

- Identification of Employment First core values and beliefs
- An understanding of how these values and beliefs are put into action through policies and practices
- Interactive breakout room activities will allow the opportunity for further exploration with colleagues across the state.

Register [here](#).

Employment First Missouri, a collaborative between the Division of Developmental Disabilities and the Institute for Community Inclusion at University of Massachusetts-Boston, offers monthly professional development opportunities to increase the employment outcomes for individuals.
