**Missouri Lay Educational Advocacy Network is hosting a
FREE Virtual 2-day Foundational Training**

**April 7-8, 2021
8:30 am – 4:30 pm**

This training is an introduction to the basics that are needed to effectively lead parents and students in advocacy in the educational setting.

It will provide an overview of basic advocacy skills, application in the educational setting, the foundational concepts of an IEP, and post- secondary transition planning.

Upon completion of the two-day training, trainees will be awarded a certificate of completion and ability to move forward in the Lay Educational Advocacy Program (L.E.A.P.) training program.
