### COVID-19 Information

The Missouri Department of Health and Senior Services (DHSS) has launched the [Missouri Vaccine Navigator](#) in five additional languages for non-English speaking individuals. Already available in English and Spanish, Vaccine Navigator now also allows individuals to register and find vaccination appointments throughout Missouri in Chinese, French, Korean, Portuguese and Russian. [Click for more information.](#)

The Missouri Department of Health and Senior Services continues to offer FREE COVID-19 testing. There are no eligibility requirements for receiving a free test and you do not need to be a Missouri resident. Individuals seeking a free testing opportunity are not required to pre-register or have an appointment, simply show up to one of the events below to receive the test. A government issued ID is not a requirement for this testing, but having one available onsite speeds up the registration process. Testing is still a very important tool in fighting the COVID-19 pandemic. The latest information can be found at [www.health.mo.gov/communitytest](http://www.health.mo.gov/communitytest).
