Parent Advisors Needed for Missouri School for the Deaf's Families First Early Intervention Program

The Families First Program at Missouri School for the Deaf is looking to hire part-time parent advisors throughout the state to provide services to families. Families First is a home-based early intervention program for families with deaf or hard of hearing children ages birth through eight. Parent advisors provide in-home and/or virtual support and strategies for families in child development, communication, language development, social/emotional skills, and transition to school. Parent advisors will be trained with the SKI-HI curriculum. If you are interested in applying for this position, please contact Angela Turner at 573-592-2572 or ff@msd.dese.mo.gov before May 7.

Additional information is available at <https://msd.dese.mo.gov/outreach-resources-center/families-first-early-interventions>.
