## Provider Support Committee

The Provider Support Committee (PSC) is a virtual learning community where staff practice skills to build capacity to better prevent risk. Information from previous sessions have been posted to the [Tier 2 web page](#) training section.

The next meeting is scheduled for **June 1, 2021, 9:00 - 11:30**. This session will be a **Tiered Supports Town Hall**. Please join us and share the barriers you've encountered that prevent you from being a Tiered Agency, and incentives you would like to see from the Division when actively participating in Tiered Supports. This session will be good for both tiered and non-tiered agencies to join together in constructive conversation.
