COVID-19 Vaccination Town Hall

August 17, 11:00-noon
August 20, 1:00-2:00

The Division of Developmental Disabilities, in partnership with StationMD, is hosting a COVID-19 Vaccination Town Hall. This Town Hall will be offered on two dates with the same content being provided at each session. In addition to key facts about the vaccines and the latest information on COVID-19 and its variants, participants will have the opportunity to ask the doctors questions via the WebEx chat function.

Presenters:

Dr. Angeline Stanislaus, DMH Chief Medical Director
Dr. Deven Unadkat, Chief Medical Officer, StationMD

Target audience: Service and case management providers, individuals, families, guardians, state staff, all interested individuals
