Access Crisis Intervention (ACI) Presentation

Friday, October 8
1:00 p.m.

A team from the Division of Behavior Health will be hosting a WebEx meeting to provide information regarding the ACI Crisis Hotline. The ACI Hotline is designed to assist individuals experiencing a crisis situation. This meeting will provide an overview of the ACI system in Missouri and the ACI annual report. Results from the Division of Developmental Disabilities (DDD) provider survey regarding access to this service will be shared and discussed. ACI providers will be available to answer questions from Division providers regarding the hotline and related services.

Facilitator(s): Jamie Bartin, Compass; Shalaine Periman, Burrell; Debbie Fitzgerald, Ozark Center.

Target Audience: DDD providers and all other interested individuals

Note: This is a WebEx meeting not a DDD hosted webinar.
