

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

2/2/22

Tier 2 Risk Prevention Workshops

The Division of Developmental Disabilities will be hosting Tier 2 Risk Prevention Workshops to help teach professional staff additional skills that they can use to get ahead of crisis situations and foster a better quality of life for people in Missouri.

- **Transitions**: The first Tuesday of every month, starting March 1, 2022, Support Coordinator Supervisors (or trainers) are invited to participate in activities and receive training on how to support their teams as they navigate the transition process.
- **An Extra Scoop**: The third Tuesday of every month, starting February 15, 2022, coaches, trainers, or professional staff, are encouraged to attend workshops to participate in activities and receive training on what Tier 2 is all about--an extra scoop of care.

Follow-up coaching and resources will be available to those that attend when requested.

To register or find out more information, visit the Division's Tier 2 Risk Prevention Webpage located [here](#).
