

Improving lives THROUGH
supports and services
THAT FOSTER self-determination.

4/1/22

Parent Series Trainings

The Missouri Institute of Mental Health's Professional Training unit is providing live online opportunities for parents to learn more about multiple aspects of mental health that may affect children. Each program will be presented at times when parents may have the time to take in this information.

April 14, 6:00 - 7:00 pm [The Basics of Cultural Competence](#)
