Targeted Case Management

For a listing of the MO HealthNet Eligibility codes covering Targeted Case Management (TCM) for Individuals with Intellectual and Developmental Disabilities (IDD), please refer to the [Targeted Case Management – Intellectual and Developmental Disabilities \(IDD\) MO HealthNet Benefits Table](#).

The Adult Expansion Group (ME Code E2) covers TCM services for Individuals with IDD, but does not cover DMH Division of Developmental Disabilities' Home and Community-Based waiver services. For additional information or questions, please refer to the DMH [Understanding Types of Medicaid](#).
