Fifth Anniversary of MO ABLE

April 24 marked the fifth anniversary of MO ABLE, Missouri's savings and investment plan for individuals with disabilities.

MO ABLE, administered by the Treasurer's Office allows individuals with disabilities and their families to save up to \$16,000 per year, tax-free, without losing federal benefits like Medicaid and SSI.

The program has nearly 3,000 accounts and over \$22 million assets under management, making it one of the largest ABLE programs in the country.

You can learn more about MO ABLE at www.moable.com.
