Proposed changes to FY23 Provider POS Contract Question/Answer Document Now Available

On January 20, the Division held a webinar to inform service providers and other stakeholders on the proposed changes to the Provider POS Contract which renews July 1, 2022. Questions received during the webinar, along with questions received via public comment, have been compiled and responses provided. This [Q & A document](#) is now available along with the [recorded webinar](#), [presentation](#), and [transcript](#).
