Post-Discharge Hospital Reimbursement

Post-Discharge Hospital Reimbursement Limited funding has been approved for hospitals to receive reimbursement of expenditures related to individuals who qualify for placement and support through the Division, who may otherwise be eligible for discharge, but were not discharged for a specified period of time due to a lack of availability within an appropriate community placement. Hospitals interested in this funding may complete and submit a Reimbursement Agreement and Attestation.

The period for Providers to apply for losses or expenditures incurred is July 1, 2021 and March 31, 2022. Previous attestation and notice indicated March 30, 2022.
