Champions of Employment: Taking A Closer Look at SSI

May 11, 2022
1:30 p.m.

The Division of Developmental Disabilities hosts monthly webinars for Support Coordinators to discuss employment opportunities for individuals the Division serves. These monthly webinars are held the 2nd Wednesday of each month from 1:30 – 2:30.

This month's topic continues the discussion on benefits planning by taking a closer look at how income impacts SSI benefits and the work incentives available to SSI recipients. Support Coordinators will learn what each work incentive does, who makes a good candidate for using that work incentive, and see an example of how that work incentive can be used.

Presenters:

- Sandy Keyser, Employment First Specialist with the Division of Developmental Disabilities
- Jennifer Seidel, Benefits Specialist for Eitas

Target Audience:

- Support Coordinators
- Other interested individuals
