Appendix K

On 10/6/2022, the Centers for Medicare & Medicaid Services (CMS) [approved](#) Missouri's request to amend the 1915(c) Home and Community-Based Services (HCBS) waivers with the Emergency Preparedness and Response [Appendix K](#) in response to the COVID-19 pandemic and updated the following:

- Effective July 1, 2022, rate methodologies are updated to a fee schedule methodology for certain home and community-based waiver services.
- Effective for dates of service July 1, 2022, and after, a rate increase will be implemented for certain home and community-based waiver services. The General Assembly appropriated an additional \$375M for rate increases utilizing \$90M of the temporary 10 percentage point increase to the federal medical assistance percentage (FMAP) for Medicaid expenditures for home and community-based services (HCBS) under section 9817 of the American Rescue Plan Act of 2021 (ARP).

This Appendix K Addendum is effective from July 1, 2022, through six months after the end of the Public Health Emergency, and is additive to those previously approved.

The [Provider Memo](#) provides details about the approved rates and the Division's strategy for distribution of funds. If you have any questions, please contact your [Provider Relations Vendor Service Coordinator](#).
