Tier 2 Risk Prevention Podcast

The Division of Developmental Disabilities has a new Spotify podcast: *Meeting Midway – Tier 2 Prevention*. Stay tuned to learn more about what Tier 2 is, how it works in Missouri, how other states are implementing Tiered Supports, and the strengths and barriers to Missouri's model. Each month there will be new topics with guest speakers that you won't want to miss. The first two episodes are live and brought to you by our host Carl Hoeningler, Risk Prevention Area Lead, and guest speakers Dr. Rachel Freeman, Director of State Initiatives and Community Integration, University of Minnesota, and Dr. Terri Rodgers, Retired Chief Behavior Analyst for Missouri Division of Developmental Disabilities.
