Waiver Amendments Approved

The Comprehensive (Comp), Community Support (CSW), Partnership for Hope (PfH), and Missouri Children with Developmental Disabilities (MOCDD) waiver amendments have been approved by the Centers for Medicare and Medicaid Services (CMS) to be effective January 1, 2023. The approved amendments are available on the [Division of Developmental Disabilities website](#).

These waiver amendments added Value Based Payments for enhanced provider payments to incentivize and reward best practice; updated the Environmental Accessibility Adaptations-Home/Vehicle Modification maximum limitation; and added Direct Support Professional (DSP) Level 2 trained within a year of employment exception for Provider Qualifications and Other Standard for the following services: Day Habilitation, Group Home, Individualized Supported Living, State Plan Personal Care Provider in Support Broker, Community Networking, Crisis Agency, and Individualized Skill Development. The Developmental Disabilities Waivers Manual will be updated with the changes in these applications.
