Cost of Living Adjustment

Social Security has issued a Cost of Living Adjustment (COLA) beginning in January 2023. This COLA will increase SSI benefits by 8.7%. As we have in the past, the Division of Developmental Disabilities will be passing the increase on to providers who provide services under the procedure codes below:

- **41000W Residential Treatment 24 Hour(s)**
- **41010W Room and Board - Non Waiver 24 Hour(s)**

The increase will be applied for services provided starting in the month of January. [Click](#) for more information about the adjustment. Please direct questions to your [Vendor Service Coordinator](#).
