Final ConneXion Demonstration Walkthrough Webinar

The Final ConneXion Demonstration Walkthrough Webinar scheduled for January 23, 2023, has been postponed to allow for an enhanced demonstration of the system, which will include ISP Planning and Service Authorizations and all modules that interact with them. The Division will send an updated announcement with the new webinar date and registration as soon as it becomes available.

Additional information about the ConneXion case management system can be found on the [Division's website](#).
