### MO HealthNet 2023 Relias Training Schedule

MO HealthNet is offering FREE continuing education (CE) sessions for doctors, nurses, and pharmacists. Each session is created and presented by Relias and all are available as live webinars and will be recorded. The list of topics and schedule is listed on the MO HealthNet Provider Training Calendar. You do not need to be a MO HealthNet provider to register.

As trainings are confirmed, speakers and registration links will be added to the MO HealthNet Provider Training [calendar](#).

[Click](#) to review MO HealthNet Division Education and Training Resources and to register for additional trainings offered by MHD.
