FREE Missouri Open Door (MOD) Workshop Series
Self-Advocacy and Assistive Technology

March 22, 2023
12:30pm - 1:30pm

During this workshop, David Forbes will share his experiences in using Charting the LifeCourse tools and approaches to help him plan in his own life. The workshop will also provide information on how assistive technology can assist people with self-advocacy skills and increase self-determination.

The goals of this workshop are to provide a focus on:

- Providing immediate-use ideas for how people can implement Charting the LifeCourse and Assistive Technology
- Strengthening everyday knowledge around technology
- Incorporating and understanding local service and support strategies
