Parent Advisors Needed  
Missouri School for the Deaf  
Families First Early Intervention Program

The Families First Program is seeking contracted part-time parent advisors throughout the state of Missouri to provide early intervention services to families and their young children who are deaf/hard of hearing. Families First is a home-based early intervention program for families who have children that are deaf or hard of hearing ages 0-8. Parent advisors provide in-home and/or virtual support and strategies to families focused on child development, communication, language development, social/emotional skills, and transition to school. Potential applicants should have a bachelor's degree in education-related or similar field. Applications will be accepted through April 4, 2023.
