

4/6/23

MO APSE Professional Development Days

April 19, St. Charles
April 20, Jefferson City
April 21, Kansas City

Registration is open for Missouri APSE's annual Professional Development Day. This year's topic is *Expanding Our Reach: Family and Support System Engagement*.

Ashlea Lantz will share perspectives from lived experiences and provide attendees with strategies to develop and enhance family/support system engagement centered on transition and employment planning. Learning objectives include:

- Building trust and rapport
- Developing collaborative relationships
- Cultural competency
- Trauma informed care
