## Innovative Self Advocacy Project Question and Answer (Q & A) Webinar

Wednesday, April 26, 2:00

The Missouri Developmental Disabilities Council (MODDC) has approved \$20,000 to fund a 12-month self-advocacy project for people with intellectual and developmental disabilities (I/DD). The overall goal is to support innovative approaches to self-advocacy in the state of Missouri. These approaches will remove barriers for people with I/DD.

Questions should be submitted in writing to [moddc@moddcouncil.org](mailto:moddc@moddcouncil.org), in care of Leigh Anne Haun, by 5 p.m., Wednesday, April 19, 2023; however, the session will allow for additional questions. A recording of the training will be provided.
